THE AMATEUR RADIO SERVICE ONBOARD MCAS, CHERRY POINT

Ref: (a) FCC, Code of Federal Regulations, Title 47  
(b) AirStaO P11101.18B

Encl: (1) Amateur Radio Authorization Form  
(2) GMRS System Authorization Form

1. Situation. To publish instructions concerning the operation of radios in the personal radio services and the amateur radio service onboard MCAS Cherry Point.

2. Cancellation. AirStaO 2070.3F.

3. Mission. To promulgate new policy on authorized operation of the personal radio services and the amateur radio service for MCAS Cherry Point.

4. Execution

a. Commander's Intent and Concept of Operations

(1) Commander's Intent. To support and encourage amateur and personal radio service activities onboard MCAS Cherry Point and to promote maximum use during times of emergency.

(2) Concept of Operations. The Assistant Chief of Staff, Telecommunications and Information Systems Directorate (AC/S, G-6) has been designated by the CG as the representative in all matters pertaining to the operation of amateur or personal radio service equipment, mobile or stationary, onboard MCAS Cherry Point.

01 FEB 2002

b. Coordinating Instructions

(1) Amateur Radio Service. Written authorization from the CG is required prior to the operation of any amateur radio onboard the Air Station. All amateur radio operations will be conducted per Part 97 of reference (a) and are subject to any limitations imposed by the CG.

(a) A completed Amateur Radio Authorization Form (enclosure (1)) constitutes written authorization to conduct amateur radio operations onboard the Air Station in compliance with paragraph 4.b.(1) above. These forms may be issued to qualified applicants by the Station Radio Frequency (RF) Spectrum Manager, Building 164, telephone 466-5841.

(b) The following must be presented to the Station RF Spectrum Manager to receive an Amateur Radio Authorization Form:

1 Amateur Radio Operator License.

2 Amateur Radio Station License.

3 State motor vehicle registration for mobile radios.

4 Housing Officer's approval for stationary radios located within Family Housing, Bachelor Enlisted Quarters or Bachelor Officer Quarters per reference (b).

(c) Authorization to operate an amateur radio onboard the Air Station automatically expires 31 December of each calendar year. Renewal procedures are the same as initial application procedures and must be renewed within 30 days of the expiration date. All violations will be handled on a case-by-case basis.

(2) Personal Radio Services. The personal radio services consist of the General Mobile Radio Service (GMRS), Family Radio Service (FRS), Radio Control (R/C) Radio Service, Citizens Band (CB) Radio Service and the Low Power Radio Service (LPRS).

(a) No written authorization is required for FRS, R/C, CB or LPRS radio operations onboard MCAS Cherry Point. However, all operations of the above services will be conducted per Part 95 of reference (a) and are subject to any limitations imposed by the CG.

01 FEB 2002

(b) Written authorization is required prior to the operation of any GMRS radio system onboard the Air Station. Additionally, all GMRS radio operations will be conducted per Part 95 of reference (a) and are subject to any limitations imposed by the CG.

(c) A completed GMRS System Authorization Form (enclosure (2)) constitutes written authorization to conduct GMRS radio operations onboard the Air Station in compliance with paragraph 4.b.(2)(b) above. These forms may be issued to qualified applicants by the Station RF Spectrum Manager, Building 164, telephone 466-5841.

(d) The following must be presented to the Station RF Spectrum Manager to receive a GMRS Radio Authorization Form:

1 GMRS System License.

2 State motor vehicle registration for mobile radios.

3 Housing Officer's approval for stationary radios located within Family Housing, Bachelor Enlisted Quarters or Bachelor Officer Quarters per reference (b).

(e) Authorization to operate a GMRS radio system onboard the Air Station automatically expires 31 December of each calendar year. Renewal procedures are the same as initial application procedures and must be renewed within 30 days of the expiration date. All violations will be handled on a case-by-case basis.

(3) This Order prohibits the use of amateur, GMRS, FRS, R/C, CB or LPRS radios for "military use", i.e., transmission of information pertaining to day-to-day military related work aboard the Air Station.

5. Administration and Logistics. The CG, 2d MAW, CO's Naval Hospital, NADEP, CSSD-21 and 12<sup>th</sup> Dental concur with the contents of this Order insofar as it pertains to members of their command.
